Career / Post High School Education

Career: Letter Carrier, United States Postal Service, retired after 20 years. I'm working full-time in retail at Misty Mountain Gourmet Shoppe. It's my first "fun" job!!!

Post H.S. School Education: Kansas State University / University of Kansas (Nursing School), BS

1950s Pop Culture

Favorite '50s songs now: Mostly all of them. I really like the be-bop artists & songs of long ago.

Favorite '50s singers now: Elvis (of course), Frank Sinatra, Perry Como, Dean Martin, Bing Crosby, Andy Williams, etc. I love some of the PBS special fundraising programs of yesteryear! What memories they evoke.

Proudest Achievements

- Being happily married for 36 years to the same man!!!!
- Surviving 20 Phoenix summers while delivering mail for the USPS!!!

Town Memories

Summer jobs—Baker's Photography in Aggieville and babysitting Tex Winter's children. He was the college basketball head coach. I moved to Manhattan my Junior year of high school. I remember attending the Lutheran Church on Poyntz Ave. with Marilyn (Scheleen) Edde.

Travel

I lived in the Kansas City area, different areas in the Valley of the Sun, Phoenix; and now in the mountains of South Central, NM. I haven't traveled of late, but have been to NY, Williamsburg, New Orleans area, CA, Denver and lots of places in AZ. I lived in AZ for 38 years!

MHS Memories

I really enjoyed the fun times with Marilyn (Scheleen) Edde and Raleighta (Barclay) Gladow. I also enjoyed being part of the Yearbook team & the suspense of who "Harry" was!! My favorite teacher was Mr. Grimes.
