Career / Post High School Education

Careers: Teacher – retired, Rosemont Apple Valley Schools, MN / Dog breeder
—Haines and I are still active breeding and showing German shepherd dogs
(GDS). Moxie, our 9 year old US National Grand Victrix, produced a 5-champion
litter in 2002; 2 were in the Canada Top 10 in 2005 and 1 was in the US Top 10.
In 2006, 2 were in the US Top 10 and this year, 2007, 2 were in the Canada Top
10 and 1 was in the US Top 10. We are so excited and grateful. We have now
had 3 dogs in the US Top 10. That makes 6 years of winning at the national level
in the very competitive GDS category. We started breeding in 1992.

Post HS Education: Kansas State University, BS; College of St. Thomas, MA

**Hobbies &
Interests**

Family and Dogs

Proudest Achievements

- Raising my children
- Teaching for 36 years
- Breeding German
shepherds

Travel

Places I have lived: Denver CO, Del
Rio TX, Phoenix AZ, Ipswich **England**,
Lenardville, KS, Apple Valley &
Lakeville, MN and Mazatlan, **Mexico**,
We try to live the 6 cold months in
Mexico. The weather is great. Relief
from the world's pressure is what
retirement is all about. The dogs love
the weather and the togetherness we
find in that culture. They can go almost
everywhere with us, even restaurants.
Haines still works from his computer
and is on the golf course by game
time. I enjoy my dogs and working on
pictures and records in my computer.

Back row, left: Brock and Sean Duncan; from right:
Haines Clausen and daughter Lora. Mary is seated: in
front of Sean; the blond to right, Barbara with adoring
Moxie close by. Spouses and grandchildren fill out the
photo.
