

Family & Pet Friends

Son: Scott
Daughter: Cyndy
Grandchildren: 4 grandsons

Cyndy and husband Mike moved to Joplin 5 years ago after Mike completed his fellowship in cardiovascular surgery at St. Luke's Hospital, Kansas City. They now have Michael Jr., 5, and Merrick, who is 7 months old. Scott and his family moved to Tampa 2 years ago via a transfer by Sanofu-Aventis Pharmaceutical Company. They have sons: Grant, 5, and Daniel, who is 10 months old.

Pets like family: Our first pet after we got married and out of college was a cat named Samantha who graced us with her presence for 20 years.

We adopted a honey-colored small dog we named Bitsy when Cyndy brought her home one afternoon because she was lost. No one claimed her and we had her for 14 years.

Scott bought a hunting dog, which he named Paige, his freshman year in college. She stayed with us while he went away to college, served three years in the Navy, and started a job as a sales rep for Aventis and moved to Philadelphia, Bill and Paige became great buddies. She was a member of our family for 14 years.

Proudest Achievements

Raising two great children who married people we love and enjoy being with and who each have two beautiful little boys we couldn't do without!
