**MHS Memories**

Some of my favorite teachers were Mrs. Fitzgerald, Mr. Todd, and Mr. Davidson—teachers who weren't too stuffy to enjoy their students, but still could maintain their position as teachers. It was a lot of fun being in Robed Choir, in the musicals and plays. I thought our class started a good tradition of not stepping on the Indian and I was saddened to learn that tradition was discontinued and the Indian removed from the floor. I am very pleased it has been restored and is now on display again.

Above L.-r.: Son David, Barbara, and daughter Nancy.
