RAINBOW RAPTURE

See the beauty unexpected a delightful, sweet surprise
of glorious color and grandeur...God's rainbow rapture
more spectacular than his regular, special sunrise,
magnificence waiting patiently to be captured

Flirtatious abundance with elusive radiance
of this masterpiece from heaven's paintbrush
sends light-heartedness, promises and gentle guidance
into God's inhabited creation causing human souls to hush

Aligning even more significance to God's rainbow's charm
are those universal instincts causing mankind to adhere
to strong inclinations and desires to caringly alarm
loved ones, friends and strangers of God's panorama when near
