Travel

As you may or may not know, we lived in Miami, FL for 30 years. My

husband was with the University of Miami and VA Hospital. He retired in 2006 and we moved out of the rat-race to the tranquil Texas hill country.

MHS Memories

The best thing about MHS was how friendly everyone was when I moved to Manhattan in the middle of my Junior year—especially, Molly Hoover.

Above: Suzi captures youngest grandson, Nash Kelly. (Yes, she painted the picture on wall behind.)
Right: Out on the town in Miami with husband Robert
