Career / Post High School Education / Military Service

Career: Civil/Structural Engineer. Sr. Design Leader KDOT Bridge Dept., Kansas Dept. of Transportation – fully retired

I also worked for the Corps of Engineers, Kansas Water Resources, and National Dam Safety Program. I was lucky to find a career that was not work; I thoroughly enjoyed what I did.

Post HS Education: Kansas State University, BSCE
Also attended post grad: KU, Colorado State & Cal-Berkeley

Military Service: KS Army National Guard, 1959-1965, S/Sgt. E-6

1950s Pop Culture

Favorite songs/singers in HS:
Anything by Little Richard or Fats Domino

Favorite '50s movies now: *Bad Day at Black Rock, The Man Who Knew Too Much, Picnic, Heaven Knows Mr. Allison, The Trouble with Harry, Rebel Without a Cause.*

MHS Memories

Proudest Achievements

1. Graduation from Kansas State University
2. Seeing my kids graduate from H.S. and from College.

- My favorite teacher of all was Mr. Norvell in Band and Orchestra. He was a person of infinite patience and genuine care for kids.
- Mr. Boles (Biology and coach) was another great teacher.
- Mr. Buller (Math) was right up there with the best.
