<p><u>Career / Post High School Education</u></p> <p><i>Career & Post HS Education (Copied with Carol's permission from Rancho Canyon Music Shop website with corrections from Carol):</i></p> <p>“Dr. Carol is undoubtedly one of the finest and most accomplished Piano instructors in our area, if not the world! Her Bachelor of Science and Bachelor of Music (with a minor in Music Education) come from Kansas State University. She received her Master’s Degree in Music at the University of Kansas, where she quickly became a sought-after accompanist.</p> <p>“She came to the University of Southern California (USC) as [a grad student, later] becoming a faculty member. While at USC, she was named Top Professor and was named as one of the Top 10 Pianists in the United States! She played at Carnegie Hall, and has "jammed" with Yasha [sic] Heifetz, just to name a few of her other accomplishments, of which there are <i>many</i> more!”</p> <p>Editor’s note: Carol clarifies that while Jascha Heifetz was at USC teaching, after the major part of his performing career was over, he wanted his violin students to have a thorough grounding in piano. For nine years, Heifetz relied upon Carol to provide his students with piano skills.</p>	<p><u>Town Memories</u></p> <p>After high school, I first attended Kansas State University, where I was <i>Royal Purple Queen</i> one year.</p>
