<p align="center"><u>Proudest Achievements</u></p> <p>Besides two delightful daughters and their families, I'd say the Peace Corps was the best thing I ever did.</p>		
<p align="center"><u>Town Memories</u></p> <p>Friends with cars to cruise Main Street and the drive-ins—things we didn't have in Brazil.</p>		
<p align="center"><u>Career / Post High School Education</u></p> <p>Career: Now—caregiver, full-time; Longest employer—Appleton Elementary. I'm working as a caregiver for developmentally disabled adults at Rainbow Acres Ranch. We have 9 houses and about 80 Ranchers (residents) ages from 20-74, men and women. It's a fulfilling job—we help with their daily living skills. We supervise and help with finances, shopping, transportation & doctors' appointments. In the mornings, I supervise a group that makes stepping stones out of cement and recycled stained glass—it's fun and creative. Currently, I'm in a house with 9 men. I fix breakfast and supper; they clean up and help with laundry with reminders of what needs to be done. Retirement is looking better and better, but I can't decide where or when. <i>Post H.S. Education:</i> Park College / Kansas State University, BS</p>		<p align="center"><u>1950s Pop Culture</u></p> <p>Don't remember what were favorites then, but like to listen to what they call "easy listening" now, and we have a very good station near here that plays a lot of stuff I remember and we can sing to!</p>
<p align="center"><u>Hobbies / Interests / Church</u></p> <p><i>Hobbies & Interests:</i> Do a lot of hiking, especially in the Sedona red rock country. Still love to read. <i>Church:</i> Rock Church—it's an American Baptist and caters a service to our residents.</p>	<p align="center"><u>Travel</u></p> <p>After college, I spent 2 years in the Peace Corps in Brazil, where I had lived for 5 years before going to Manhattan and finishing high school at MHS. I lived in CO for 30-some years, raising my family and working some of those years. I did a year of mission volunteer work in Chicago, working with the homeless and have been in AZ the last 12 years. The first 4 were teaching kindergarten at the mission school on the Hopi Indian reservation. The last 8, I've been working with the developmentally disabled.</p>	
<p align="center"><u>MHS Memories</u></p> <p>I was only there the one year and thank goodness the building was new to everyone; so I wasn't the only one totally lost. Finally, Mona spoke to me and did an interview for the school paper. (I think she was a little disappointed that I didn't turn out to be Brazilian), but a friendship was formed and we've been friends ever since. In fact, I made some of the best friends I've ever had at MHS. Thanks, Norma, Mona, Dianne & JoAnne!</p>
