

**Family**

*Grandchildren:* Brice, 17; Brad, 16; Bailey, 12 & Blake, 9 (*bottom right*)

I married Roger in 1966. He retired from Fidelity Bank, Topeka. He's an IRS VITA volunteer and plays volleyball and sr. softball.

My parents both died in 1995, and my only brother, Jim, in 1984. Having had no children of my own, Suzi (Gerber) Keown's daughter Amy & son Patrick are my "godchildren". Amy had a baby girl last May & I went to CA to be with them, just as I was with Suzi over 30 years ago when Amy was born.

*Pets like family:* I've always had at least 2 cats and over the years, 2 wonderful Boxer dogs. They've been wonderful companions—my "children." Still have 2 cats (*lounging below*)

**Career**

*Career:* Exec. Dir., KS State Board of Accountancy (examined, certified, licensed & regulated CPAs in KS)—25 years until retirement the end of 1996. I'm fully retired (from paying jobs, that is!) and loving it!

I moved to Topeka in 1970. Previously, I worked for attorneys in Manhattan, Wichita, Salina, and the Kansas Technical Institute (KTI).

**Proudest Achievements**

Without having kids of my own, I now have 4 wonderful loving grandchildren.

**Travel**

I've seen most of continental U.S. (HI, several times); Vancouver & Victoria, **Canada**; and cruised the eastern Caribbean Islands. We've enjoyed fall in the Smoky Mtns. & New England. AK is our next major destination. We want to visit states we've missed before considering travel overseas. I visited Suzi in CA for years, and now see her annually in AZ. Love traveling, but am basically a homebody and don't like being gone very long.

**Church /Volunteer**

My volunteer time is spent primarily at my church, 1<sup>st</sup> Christian, Topeka. I'm an Elder & Congregational Caregiver, serve on the finance committee & volunteer in the office. I'm also Sec./Treas. & active Board member of a HUD-subsidized, 125-unit apt. complex for the elderly.

**MHS Memories**

I recall being nervous after letting Elaine K. talked me into trying out for cheerleader after Sherry S. dropped out. I wasn't comfortable in front of a crowd and surprised to get elected. I'm sure it was fun, but don't remember much about it now; I'm better behind the scenes! I was honored to be a finalist for Blue M Queen and in such good company!
